A: You will receive your renewal notice by email around the first week of May. Also, the expiration date, June 30th is on front and back of your membership card, as well as the mailing address. All members are encouraged to mail in their membership dues beginning the first week of May.

Q: Why does the application for membership request you to send an email to ccsctreasurer01@gmail.com when you mail in an application?

A: Several reasons for this: It notifies CCSC membership to expect an application at the post office, (we have had applications lost in the mail). An important reason is that it notifies the board to schedule you, as a potential new member, for the next orientation program.

Q: How soon will I receive my membership card?

A: You will receive your new membership card at the conclusion your orientation program.

Q: Is it possible to get my application processed quickly, for example: “I will be coming to Heber Springs this weekend. Is it possible to get my membership processed before then”?

A: Your application will normally be processed within 30 days, usually much less depending on various situations. However, you will not become a member until you attend the orientation program, which is scheduled when your application is processed.
